General Instructions

An individual who elects to itemize deductions when filing an individual income tax return either separately or jointly may, in computing net income, claim a deduction for donations to the:

- State Veterans' Service Account (10-2-112(1), MCA) or
- State Veterans' Cemetery Program (10-2-603, MCA).

This deduction is not allowed under 15-30-154, MCA if the amount is included as a deduction under 15-30-121, MCA.

Joint contributions made by spouses may be deducted from the net income of either spouse or allocated between spouses.

The deduction is allowed in the year the contribution is made. (For example, if a contribution is made on April 15, 2005 and submitted with a 2004 Montana individual income tax return it is deductible for tax year 2005 if the individual elects to itemize deductions in 2005).

The contribution must be made by separate check and attached to this form. This form and contribution must accompany your individual income tax return, Form 2.
